

**John Towers, dba Personal Wealth Advisors, LLC, Selected
as One of The Leading Wealth Managers of Texas**

Plano, TX, May 25, 2009: John Towers, dba Personal Wealth Advisors, LLC, a leading provider of Investment Management and Wealth Protection services, today announced that he has been selected by Goldline Research as one of leading Wealth Managers of Texas for 2009. The list of leading Wealth Managers of Texas is scheduled to be published in the June 8th issue of Forbes.

"While I am pleased with this recognition of our practice and while it is validation of our unique services, this is not the time to rest on our laurels," said John. "With the economic turbulence we've recently been through and what we see coming over the next few years, we are dedicated to leading our clients through what looks to be a very challenging environment. Wealth protection strategies have never been more critical."

"Those selected provide extensive client service that exceeds the industry standard," said George Shaeffer, Analyst at Goldline Research. "We believe that they are setting the benchmarks for the industry as a whole."

This research study was completed by Goldline in April 2009. Goldline identified more than 1,300 SEC registered investment advisors and more than 3,800 individuals holding the Certified Financial Planner (CFP®) designation in the region.

About John H. Towers

John offers an independent and contrarian approach to investing that offers clients a wide variety of options with the ability to customize portfolios to address individual needs. His thirty-nine plus years of experience in the financial services industry allows John to provide outstanding service to his clients. John's mission is to help financially successful families make smart decisions with their money, based upon their values and beliefs, to enable them to enjoy achieving their lifelong dreams for themselves and their succeeding generations. This is done by specializing in financial, retirement and estate planning strategies with the goal of wealth creation and protection in mind. John Towers offers securities and advisory services through VSR Financial Services, Inc, a member of FINRA and SIPC.

About Goldline Research

Goldline Research (www.goldlinersearch.com) is an independent market research firm that specializes in evaluating professional services providers to help consumers identify and select leading services firms. Goldline Research's proprietary research process includes market analysis, individual company

interviews and, in many industries, interviews with consumers of those services to gain feedback on market conditions and provider service levels. Goldline Research's lists have been published in leading publications including local, regional and national magazines.
